SCHOOL ACTIVITIES

Attention Students and Staff: Door Dash, Grub Hub or any other food delivery service will no longer be allowed to deliver food in the administration building or on campus effective April 25th after Spring Break.

The ASVAB test will be given here at Santa Maria High on April 28th in the MMLC. The ASVAB is a test used by US Armed Forces to help you find a Military Occupation. It is also a good test to determine skills and aptitude for future careers. The test is open to all 10th through 12 graders. If you are interested in signing up, please see Ms. Washington in the College and Career Center for more information.

Attention students: there are many items in the lost and found. Please show your student ID to the info desk or security in the admin building to claim your belongings. Anything unclaimed by April 29th will be donated to the Teen Closet.

Sophomores! Don't forget about the Class of 2024 Info Meetings happening this week. To be eligible to run for an officer position, you **MUST** attend one meeting! Open meetings are Monday-Wednesday during lunch, and one option after school on Wednesday, 3:10pm start time. All meetings will be held in Room 618. Come join us!

Attention all sophomores, your 2024 Class Officers created class t-shirts! When we return from Spring Break, please pre-order your very own Class of 2024 spirit wear at the Business Office outside of the library. \$15 each! (Additional fees for extended sizing). Pre-sale orders will run from the morning of April 25th to the end of our lunch period on May 6th. Don't wait until the last minute! For additional fundraising updates and a glimpse into what our t-shirts look like, follow our Class of 2024 Instagram page @smhsclassof.2024. All profit from this fundraiser will benefit our class in the future (think about prom, disney grad nite, and more!).

Seniors who have applied to a four-year university, please come to the College and Career Center during lunch to receive help to set up your school portal. Your portals are very important and the only way that universities will communicate with you.

Love chicken fingers? Go to Raising Cane's TODAY from 12-8PM for your Saints Band fundraiser night. Just say SMHS Band when you order for 15% of the sales to be donated to the band.

CLUB INFORMATION

Society of Hispanic Professional Engineers club is hosting “Noche de Ciencias” this Wednesday, April 13th. This event will give the opportunity to both students and parents to learn about the different STEM pathways through the use of activities! This event will begin in room 360 at 6:30 PM and conclude at 8:45 PM. Everyone is welcome!

Mayor’s Teen Council meeting today, 6th period, in room 609.
