SCHOOL ACTIVITIES

The **ASVAB** test will be given here at Santa Maria High on April 28th in the MMLC. The ASVAB is a test used by US Armed Forces to help you find a Military Occupation. It is also a good test to determine skills and aptitude for future careers. The test is open to all 10th through 12 graders. If you are interested in signing up, please see Ms. Washington in the College and Career Center for more information.

Attention students: there are many items in the lost and found. Please show your student ID to the info desk or security in the admin building to claim your belongings. Anything unclaimed by April 29th will be donated to the Teen Closet.
