Here's our quote for the day: "The pressures on gay teens can be overwhelming—to keep secrets, tell lies, deny who you are, and try to be who you're not. Remember: you are special and worth being cared about, loved, and accepted just as you are. Never, ever let anyone convince you otherwise." –Alex Sánchez, author "Las presiones sobre los adolescentes gay pueden ser abrumadoras: guardar secretos, decir mentiras, negar quién eres y tratar de ser quien no eres. Recuerda: eres especial y vale la pena que te cuiden, te amen y te acepten tal como eres. Nunca, nunca dejes que nadie te convenza de lo contrario". – Alex Sánchez, author"
